Hiring organization
Eduka

Description

Biology Teacher for NEET | Olympiads

Date posted

July 19, 2026

Description Role Details & Visible Job Description

- **Position:** PGT / TGT Biology Teacher
- **Platform/Institution:** Eduka Education (study.eduka.co.in)
- **Core Responsibilities:** Delivering high-quality Biology lectures (Botany and Zoology), preparing students for board exams and medical entrance competitive tests (NEET/AIIMS/Olympiads), creating digital learning resources, and managing virtual or smart-classroom setups.
- **Required Qualifications:** B.Ed, Post Graduation in Biology/Botany/Zoology/Biotechnology (M.Sc), or clearing state/national eligibility criteria (CTET/UPSET).

Responsibilities

- Design and execute structured lesson plans targeting deep conceptual understanding for board exams and highly precise, speed-oriented problem-solving for NEET.
- Conduct regular diagnostic test series, evaluate diagrammatic accuracy and conceptual clarity, and provide targeted feedback to bridge learning gaps.
- Curate high-quality digital content, diagrams, memory mnemonics, and mock test papers specifically designed for online and smart-classroom engagement.

Qualifications

- B.Sc. (Biology / Botany / Zoology / Life Sciences)
- M.Sc. (Biology / Botany / Zoology / Life Sciences / Biotechnology)
